DATA BASICS

DATA IN DEPTH

DATA IN PERSON

NEW IN 2018

- Data Storytelling
- Data Clinics
- Data Bootcamp

Feedback: What people are saying....

"This general knowledge will be super helpful as a foundation."

"I will be looking at data and information with a more analytical eye."

"I will use my new awareness to be a better partner for nonprofits."

"I need to go back to basics: definitions. What do I want to know, why do I want to know, what will I do?"
