# Institutional Branding

The collage displays three distinct website interfaces, each featuring a consistent branding scheme:

- Hartford Public Library:** Features a purple and white color palette. The header includes the Connecticut Digital Archive logo and navigation links. The main content area is titled "Presenting the new library, Hartford" and includes a large photograph of the library building, a descriptive paragraph, and social media sharing options.
- New Britain Museum of American Art:** Utilizes a teal and white color palette. The header features the museum's logo and navigation. The main content area is titled "Hartford" and includes a photograph of the city skyline and a descriptive paragraph.
- Kent Memorial Library:** Employs a blue and white color palette. The header includes the library's name and navigation. The main content area is titled "Suffield Disasters" and features a grid of historical photographs with captions and dates, such as "Suffield to Enfield Covered Bridge" and "Train Accident at Suffield Depot".
