We are NOT "Re-opening"

CTDA Operations Update During COVID-19

We want to let you know that it will be business as usual for the CTDA during this period.

Our Mission and Our Purpose…

Connect… Preserve… Share…

… has never been more important

Encouraging innovation with CTDA collections

Projects to enhance the value of CTDA collections

- Handwriting recognition of 18th century documents (Lyrasis Catalyst Fund)
- Courtroom 600—primary source documents in a VR learning experience (NEH)
- IIIF —new ways to display content
- ISLE- "Repository in a box"—working with academic libraries in the US.
- Low-investment presentation tools: Knightlabs, ArcGIS Storymap, more…
